Re: NCLB Report Card

Schools and districts are required to issue annual report cards to parents as a result of the *No Child Left Behind Act of 2001*. The purpose of the report card is to give parents information about their child's school in the areas of teacher quality, student demographics, student academic performance, and accountability.

The information is divided into four parts.

Part I: Student Enrollment and Teacher Qualifications

Part II: Massachusetts National Assessment of Educational Progress (NAEP) 2007 Data

Part III: MCAS 2009 Data

Part IV: Adequate Yearly Progress (AYP) Report

Please refer to the last page of the report card for definitions of the data.

The district wide report card and report cards for each of the schools in the Hamilton- Wenham District are available on the district (<http://www.hwschools.net>) and school websites (<http://cut.hw-regional.k12.ma.us/>, <http://buk.hwschools.net>, <http://win.hwschools.net>, <http://mr.hwschools.net/>, <http://hs.hwschools.net>). Copies are also available at the Main Offices at each school, the Superintendent's Office, and at the Hamilton-Wenham Public Library.

If you have any questions about this report card, please call Dr. Maryellen Duffy, Director of Educational Services at 978-468-0395.
