Re: Hamilton-Wenham New Middle School & High School Renovations

I, **Julia Nugent** as Principal for HMFH Architects, Inc., certify that to the best of our knowledge, information, and belief, the plans and specifications for the **Hamilton-Wenham New Middle School & High School Renovations** dated **April 24, 1997 (Middle School) & March 26, 1998 (High School)** did not call for use or provision of any asbestos containing materials.

I further certify that one of our representatives made visits on a regular and periodical basis from start to completion of construction to observe compliance with the approved plans and that, to the best of our knowledge, no asbestos containing materials were used or provided in the construction of the project.
