

November 20, 2019

HWRSC - Policy Working Group
5 School Street
Wenham, MA 01984

Attendance: Michelle Bailey, Peter Wolczik
Dr. Julie Kukenberger, Superintendent, Dorothy Presser, MASC

The working group reviewed the following policies.

CL Administrative Report - Recommend MASC

EBCD - Will will eliminate the sentence about prudence. The clarification of students being marked as absent when they stay home on a bad weather day will be its own paragraph.

EEBA - Add the reference to Criterion 4 for the Green Communities Initiative related to vehicle fuel efficiency.

F - Memorials we will look at next time.

G- Crowdfunding - We are unclear how much this is used by teachers. We noted that Keven Sano currently had a campaign on Donor's Choose. How do we differentiate items requested and denied in a budget and items through this platform? If items are received through this platform, are they the property of the school? If so, how will the SC accept the donations? Dr. Kukenberger get more information from John Kotch and Vinny.

GBEC - Drug Place take the MASC

GBED - Tobacco - adopt MASC

GBGB keep MASC with correction of punctuation.

GBGE - Keep our policy - note the 15 days of leave under the policy would be paid leave. Although this is not addressed by the contract, the law requires the ability to take the leave.

GBGF - Change to MASC because it reflects more of a policy while ours is more a mimicking of the law.

GBI - Adopt MASC version

GBJ - Adopt MASC version

GBK - Keep HWS

Next Meeting, December 4 at 4:30pm.

Approved 12/4
